Dear TSS Families,

The P&C are running a Picture products melamine plate activity, and we'd love you to join in. Who hasn't received one of these since your child was in Kindy?!! Now is the perfect time to update your collection with perhaps some more artistic displays!

Your child can use photos, markers, paints and handprints to create their artwork, and you can have as many copies made as you'd like, so it's a fantastic gift idea for grandparents and other family members. Grab more templates and you can get siblings involved!

As well as the plates, you are also able to create/order a ceramic mug and a 600ml aluminum water bottle.

**Note: Please don't bend/fold the template paper.**

**Note: You will receive your order Week 9 Term 4.**

### How to get involved

1. Your child/ren will complete their artwork on the templates provided. If you require more templates due to them being folded, destroyed etc, you have a few options. A) There are spare templates on the display table in the office. B) You can download and print your own from <https://drawing.pictureproducts.com/> The paper should be printed at A3 size. If you print at A4, your products can still be made but the drawings will be scaled up.
